MEET THE TEACHER!

Welcome to 2nd Grade! My name is Mr. Lurie, and I am so excited to be your child's teacher this year! I absolutely love teaching 2nd grade, and I'm looking forward to a wonderful year full of learning, curiosity, and growth. I can't wait to get to know both you and your child as we partner together in their learning journey!

Day 8: PE

BIRTHDAYS

To celebrate your child's special day, I'll ask each student if they'd like the class to sing and give them a shout out to start the day. You may also send goodies for the class to hand out at lunch! Please contact me before sending any food items. Parents can only visit for lunch on designated lunch days. (please no birthday cakes -cupcakes or cookies are fine.)

ATTENDANCE

Students may enter the school at 7:45 when the first bell rings. The second bell rings at 8:15. Any students arriving at 8:15 will need to be signed in at the office and will be marked tardy. Early checkouts also count as a tardy.

If you know ahead of time that your child will be absent, please contact me. Also, if your child will be absent with an illness or for an appointment, please communicate to me via Parent Square, or with a written note when they return.

BEHAVIOR

We will follow the school-wide PBIS behavior plan. Our expectations are to be responsible, be respectful, and be safe. I will use a mixture of braggin' dragons (for whole class) and class dojo for individual praise. My philosophy is that I am nurturing, but firm. I believe in having fun while learning! I value open conversations with parents/guardians when behaviors need to be addressed.

MISC.

You are welcome to eat lunch with your child on an assigned day! The day of the week will be posted. Please sign in at the front office, and meet us in the cafeteria at 12! Please try not be late as we have a short window to eat.

We go outside for recess everyday! Please send warm clothing during the winter months. It helps to label jackets or other items. Communicate with your child on expectations on when you want them to wear their coat.

HOMEWORK

Research has shown daily independent reading to be one of the most important factors in predicting student success in school. Please encourage your child to read daily, and ask questions about what he/she is reading! (I will send home info about digital options for those who would like to use them.)

Other homework will only be assigned as needed – this could be when a student needs more practice in an area, or when they have work to complete from their school day. I will communicate with you if this is something that is needed, but typically any other homework is optional practice for those who would like extra practice with reading or math skills!
